To Town Hall residents: THANK YOU! We've been meeting almost once a week here at the Center, invited by your neighbor Christian Halvorsen, along with Ric Medici and Randolph Johnson, ever since pandemic restrictions allowed us to gather again in person. Yours is a space with lots of room for social distancing and a wonderful Baldwin piano. We are so grateful for your generosity, patience and enthusiasm for the songs we have been preparing.

Our goal is to reflect on stage and "in the house" the great diversity of Chicago's population and the paths that bring us together. Singers of all genres and levels of stage experience are encouraged to join our ongoing SongShop sessions.
